Major Milestone Achieved

22/23 Biennium Funding

“It is with great pleasure I announce that our funding for the 22/23 biennium to continue the NCJIS Modernization Program effort has been approved and signed by the Governor. I appreciate and am humbled by all of the support we received from our criminal justice and non-criminal justice partners throughout the legislative budget process. We are excited with the forward movement and are eager to continue working with all of our stakeholders throughout this crucial modernization!”
